

Dispensing Free Medicines

ABOUT THE SERVICE

THE MUNICIPAL GOVERNMENT partnered with PHILOS Health, a group based in the United States of America (USA) in order to improve the local government unit's health services for its constituents. The partnership realized the difficulty of the people nowadays to purchase medicines even those for common ailments due to financial difficulties. Thus, medicines are donated by PHILOS Health for free availment of the people. These medicines are the over-the-counter medicines and those for people with diabetes and hypertension ailments.
