From: **Honorable Mayor Fortunato R. Abrenilla**

Re: **Attendance of the Municipal Tree Growing Activity in the celebration of June 25 – Arbor Day**

Warm Greetings!

On June 25, 2011 – Arbor Day Arbor is a day for tree planting and an occasion to emphasize the importance of our forest resources where everyone will be encouraged to participate and plant endemic species in protected areas. The revival of the celebration of Arbor Day throughout the country could be our contribution to the preservation and conservation of our forest resources. With the current eventualities all over the country, this is our chance to at least minimize the effect of global warming due to climate change brought by forest denudation worldwide.

In view of this, I will invite you to come for a ***Tree Growing Activity*** as our support of the Pocket Forest Project of the province at the same time launching of the massive tree planting province wide this coming ***June 25, 2011 Saturday*** at brgy. ***Pangdan Hill*** (near Pangdan Brgy. Hall). Each employee must plant at least one (1) seedling tree assigned in your respective department. Assembly area will be at the municipal ground around 7:00 o'clock in the morning. The MDRRM and nursery personnel will brief you and provide you the seedlings before proceeding to the tree planting sites. *Attendance is a must.*

Pursuant to this, the above mentioned elected officials and employees are hereby directed to participate the said activity.

Anticipating your usual support and cooperation on this matter.

Very truly yours,

ATTY. FORTUNATO R. ABRENILLA
Municipal Mayor
